EDUCATION

12/2007 Dr. oec. publ. (summa cum laude), University of Zurich
10/2003 M.Sc. in Economics, University of Konstanz

PROFESSIONAL EXPERIENCE

02/2016 – Professor of Health Economics, University of Lucerne
01/2013 – 01/2016 Associate Professor of Health Economics, University of Lucerne
08/2010 – 12/2012 Assistant Professor of Econometrics, University of Bern
04/2010 – 08/2010 Lecturer in Statistics/Econometrics, University of Zurich
04/2008 Lecturer in Statistics, Swiss Finance Institute
11/2007 – 03/2009 Senior Research Associate, University of Zurich

VISITING POSITIONS

10/2018 Visiting Researcher, Harvard T.H. Chan School of Public Health (Host: R. Atun)
2016-2022 Guest lecturer and researcher, University of Münster (Host: S. Nüesch)
05/2012 – 07/2012 Visiting Scholar, Dept. Economics, MIT (Host: J. Angrist)
03/2010 Visiting Scholar, Dept. Economics, Princeton University (Host: B. Honoré)
04/2009 – 04/2010 Visiting Fellow, IQSS, Harvard University (Host: G. Imbens)

RESEARCH INTERESTS

Applied health economics, econometrics, policy evaluation

INSTITUTIONAL RESPONSIBILITIES

02/2023 –	Founding Dean, Faculty of Health Sciences and Medicine (U Lucerne)
08/2022 –	Academic Director, Ph.D. Program in Health Sciences (U Lucerne)
05/2022 –	Member of the Foundation Board, Swiss School of Public Health
07/2021 –	Executive Secretary, European Health Economics Association (EuHEA)
08/2019 –	Academic Director, Bachelor/Master Program in Health Sciences (U Lucerne)
12/2016 –	Vice President, Swiss Society of Health Economics
07/2015 –	Director, Center for Health, Policy, and Economics (U Lucerne)
08/2019 – 01/2023	Vice Principal and Head of Division Health Sciences and Health Policy, Department of Health Sciences and Medicine (U Lucerne)
08/2017 – 12/2019	Academic Director, Intl. Doctoral Courses in Health Economics and Policy, Swiss Society of Health Economics, Swiss School of Public Health
08/2017 – 07/2019	Academic Co-Director, Ph.D. Program in Health Sciences (U Lucerne)
08/2016 – 07/2019	Vice Dean, Faculty of Humanities and Social Sciences (U Lucerne)
08/2015 – 07/2019	Deputy Chair, Department of Health Sciences and Health Policy, Faculty of Humanities and Social Sciences (U Lucerne)
02/2014 – 08/2017	Academic Director, Master Program in Health Sciences (U Lucerne)

MAIN RESEARCH THEMES

- Demand for health insurance and optimal system design
- Health insurance literacy: framework and measurement tools
- Socio-economic inequalities in health and related behaviors
- Health and social impacts of health interventions in developing countries
- Health care financing and incentives of different payment systems
- Human-centered artificial intelligence for value-based health care
- Machine learning and causal inference for policy evaluation
- Econometric modeling of health and related outcomes

TEACHING EXPERIENCE

- Health Economics (Master, Ph.D.)
- Applied Health Economics and Econometrics (Master, Ph.D.)
- Health Policy Evaluation (Master)
- Economic Evaluation in Health Care (Master)
- Quantitative Methods and Econometrics (Master, Ph.D.)
- Seminars and workshops in health sciences and health economics (Master, Ph.D.)
- Academic writing and good research practice (Ph.D.)
- Curriculum development of health sciences programs on the Bachelor, Master, and Ph.D. levels,
including the implementation of innovative teaching didactics and e-learning teaching environments
- Regular lectures and presentations in continuing education programs at the University of Lucerne,
the University of Michigan Medical School (Department of Learning Health Sciences), and
the Harvard Medical School (Safety, Quality, Informatics and Leadership Program)

COMPETITIVE RESEARCH FUNDING AND OTHER FUNDING

- State Secretariat for Education, Research and Innovation & Swiss Conference of Higher Education Institutions, Project Coordinator “Swiss Learning Health System” (2021–2024, overall funding volume CHF 4’800’000 as part of the federal project contributions)
- Swiss National Science Foundation Grant #10001C_188851 “Assessing health insurance literacy in Switzerland – towards an operational framework and measurement tool” (2020–2024, CHF 388’000)
- Swiss National Science Foundation Grant #100018_185153 “Premium subsidies and their impact on health plan choices and health care demand in mandatory health insurance systems: Evidence from Switzerland and an international comparison of health systems” (2019–2023, CHF 350’000)
- Horizon 2020 FP, project partner in “PanCareFollowUp: Novel, patient-centred survivorship care to improve care quality, effectiveness, cost-effectiveness and accessibility for survivors and caregivers” (2019–2023, overall funding volume EUR 4’000’000, U Lucerne EUR 220’000)
- University of Lucerne, Research Committee Startup Funding, Project “Social support mechanisms for low-income households in MHI systems” (6/2018 – 4/2019, CHF 41’000)
- University of Lucerne, Research Committee Startup Funding, Project “Health insurance literacy, health insurance choice and demand for health care” (6/2018 – 9/2018, CHF 11’000)
- University of Lucerne, Research Committee Startup Funding, Project “Determinants of care-seeking behavior and identification of potential over- and underutilization of doctor consultations in Switzerland” (6/2016 – 9/2016, CHF 14’000)
- University of Lucerne, Research Committee Startup Funding, Project “Health insurance experiment in Switzerland” (3/2015 – 4/2016, CHF 18’500)
- Swiss Federal Office of Statistics & Swiss Health Observatory, Project “Health Behaviors Switzerland” (4/2014 – 12/2015, CHF 50’000)
- Swiss National Science Foundation Grant #100014_150155 “Perception of the workplace after disability onset: A longitudinal analysis for Switzerland” (2015–2017, CHF 170’000)
- University of Lucerne, Research Committee Startup Funding, Project “Physician induced demand and the effects of supply-side regulation in Switzerland” (3/2014 – 2/2015, CHF 13’000)
- Swiss National Science Foundation Grant #100018_152798 “Education and individual risk behavior: A quasi-experimental study” (2014–2015, CHF 108’000, with D. Hangartner and M. Steenbergen)
- Swiss National Science Foundation Grant #IZK0Z1_146027 “Impact of user fees on health care utilisation”, to host S. Stillman as visitor at the University of Bern (12/2012 – 2/2013, CHF 9’300)
- Swiss National Science Foundation Grant #IZK0Z1_139984 “Identifying the causal effects of education on labor market outcomes”, to visit the MIT (5/2012 – 7/2012, CHF 8’500)
- Jacobs Foundation Grant #2012-1001 “Does education affect risk preferences? Evidence using quasi-experimental data” (2012–2014, CHF 150’000, with D. Hangartner and L. Schmid)
- Swiss National Science Foundation Grant #100013_141333 “Returns to education: new evidence from a discontinuity in school entry tests” (2012–2014, CHF 214’000, with D. Hangartner and M. Steenbergen)
- Swiss National Science Foundation Grant #100014_134526 “Identification and estimation of treatment effects under monotonicity constraints” (2011–2014, CHF 165’000)
- Swiss National Science Foundation Grant #PBZHP1-124191 to visit Harvard University (4/2009 – 4/2010, CHF 72’000)
- Participation as “Young Researcher” of the Swiss National Science Foundation at the 3rd Nobel Laureate Meeting in Economic Sciences 2008 in Lindau
- SOI Prize 2007 for the dissertation entitled “Three essays on the econometric analysis of discrete dependent variables”
- Swiss National Science Foundation Grant #10SO11-106334 to participate in the 2004 Essex Summer School (7/2004 – 8/2004, CHF 5’600)

PUBLICATIONS

A. BOOKS
