

PERSONAL INFORMATION

Name Gisela Michel
Researcher ID: G-1081-2018
Orcid ID: 0000-0002-9589-0928
Google-Scholar: <https://scholar.google.com/citations?user=PbfGZi4AAAAJ>

EDUCATION

10/2019 **Fachpsychologin Gesundheitspsychologie FSP** (Licensed Health Psychologist FSP)
 Föderation Schweizer Psychologinnen und Psychologen (Swiss Federation of Psychologists)

10/2013 **Habilitation, Social and Preventive Medicine**
 University of Bern, Switzerland

05/2004 **PhD in Clinical Psychology**
 University of Fribourg, Switzerland
Thesis: Symptom reporting: Exploration of situational and individual predictors

09/1992-09/1999 **Licentiate in Psychology** (lic. phil. hist.[MSc])
 University of Bern, Switzerland
 Clinical Psychology, Social Psychology, Philosophy, 4 Semester Psychopathology
Thesis: Regulation of emotions in psychotherapy: The influence of different therapy conditions

06/1992 **Matura**, Typus D (Spanish), Kollegium St. Fidelis, Stans, Switzerland

WORK EXPERIENCE

Since 6/2021 **Full Professor**, Health and Social Behaviour
 Department of Health Sciences and Health Policy
 University of Lucerne, Switzerland

3/2013 - 5/2021 **Associate Professor**, Health and Social Behaviour
 Department of Health Sciences and Health Policy
 University of Lucerne, Switzerland

8/2009 - 2/2013 **Senior Research fellow**
 (Ambizione Fellowship, Swiss National Science Foundation)
 Institute of Social and Preventive Medicine
 University of Bern, Switzerland
 ➤ Project: Follow-up care after childhood and young adult cancer in Switzerland

9/2007 - 4/2009 **Visiting research fellow**
 (Fellowship for advanced researchers, Swiss National Science Foundation)
 Department of Psychology, University of Sheffield, UK
 (Prof. Christine Eiser, PhD)
 ➤ Collaboration in 2 research projects (Follow-up care after childhood and young adult cancer; Psychological well-being in survivors of cancer and implications for follow-up care)
 ➤ Statistical analysis, writing scientific papers, submission of ethics application, writing grant proposal

4/2004 - 8/2007 **Post-doctoral research assistant, Swiss Childhood Cancer Registry**
 Institute of Social and Preventive Medicine, University of Bern, Switzerland
 (Prof. Dr. med. Claudia Kuehni)

- Management of the re-organization of the Swiss Childhood Cancer Registry
- Collaboration in various research projects
- Research in epidemiology of childhood cancer
- Setting up of the Swiss Childhood Cancer Survivor Study

1/2003 - 12/2003 Visiting Scholar Social Psychology Program

(Scholarship for prospective researchers, Swiss National Science Foundation)
New York University, New York, USA
(Prof. Niall Bolger, PhD; Prof. Patrick Shrout)

- Data analyses using generalized linear regression models (multilevel modeling)
- Writing up of papers for PhD

6/2000 - 12/2002 Research Assistant, Clinical Psychology

Dept. of Psychology, University of Fribourg, Switzerland
(Prof. Dr. phil. Meinrad Perrez),
Individual and social regulation of emotions in families with adolescent children

- Management of the research project
- Supervision of Master students
- Development and implementation of two courses for parents (Preventive parental program)

COMMISSIONS / BOARDS

UNIVERSITY OF LUCERNE

- | | |
|-----------------|--|
| Since 01/2023 | Member of two Search Commissions (Berufungskommissionen) at the University of Lucerne (Open Rank Professor – Clinical Psychology; Open Rank Professor – Child and Adolescent Psychology) |
| Since 01/2023 | Integrity Officer (Integritätsbeauftragte), University of Lucerne |
| Since 08/2022 | Member of the Working Group for the Development of a Guideline for Search Commissions, University of Lucerne |
| Since 12/2021 | Member of the Sustainability Commission, University of Lucerne |
| Since 06/2021 | Member of the Equal Opportunity Commission, University of Lucerne |
| 04/2020-06/2022 | Collaborator in the working group 'Behavioural Sciences at the University of Lucerne' |
| Since 09/2019 | Deputy President of the Research Commission, University of Lucerne |
| Since 09/2019 | Academic Co-Director of the PhD Program in Health Sciences, University of Lucerne |
| 02-07/2018 | Interims deputy president of the Research Commission, University of Lucerne |
| 09/2017-08/2019 | Academic Director of the Master in Health Sciences, University of Lucerne |
| Since 10/2015 | Member of the Board of the Clinical Trial Unit – Central Switzerland (CTU-CS) (for the University of Lucerne) |
| Since 1/2014 | Member of the Research Commission of the University of Lucerne |

OTHER

- | | |
|---------------|--|
| Since 01/2023 | Member of the Advisory Board of the LE-Na Project ("Evaluation und Implementierung einer multidisziplinären, standardisierten, leitliniengerechten |
|---------------|--|

Langzeitnachsorge für heute Erwachsene, ehemals krebskranke Kinder und Jugendliche, in Deutschland – Eine prospektive, multizentrische, bundesweite Versorgungsstudie im Nachsorgenetzwerk", funded by the Hector Stiftung, PI Prof. Dr. Thorsten Langer), Universitätsklinikum Schleswig-Holstein, Germany.

- Since 01/2020 Member of the Foundation Board of the Swiss National Science Foundation (SNF Stiftungsrat)
- Since 10/2019 Member of the Steering Board of Swiss School of Public Health (SSPH+) University of Applied Sciences Programme (SSPH+ UAS)
- Since 06/2019 Member of the Academic Board of the Graduate Campus of the Swiss School of Public Health (SSPH+)
- Since 01/2018 Member of the Scientific Board of the Swiss Childhood Cancer Registry (SCCR)
- Since 03/2017 Member of the SIOP Scientific Programme Advisory Committee (SIOP SPAC)
- Since 02/2017 Chair of the PanCareSurFup Sustainability, Publication and Authorship Group
- Since 01/2016 SSPH+ Fellow (Swiss School of Public Health)
- Since 6/2014 Member of the Foundation Board of the Swiss School of Public Health (SSPH+)
- 10/2011-04/2019 Member of the Board of PanCare

PRIZES

- 21 Oct 2020 **LORY Price:** Price for the most scientific publications made available in open access format on the "Lucerne Open Repository" (LORY) in Open-Access-Form, University of Lucerne, CH.
- 2008 **Price for best poster** presented at the International Paediatric Haematology & Oncology Update Meeting (IPHOUM) Conference, Edinburgh, UK.

GRANTS AND SCHOLARSHIPS

PEER-REVIEWED GRANTS

Project Grant, **Leading House Africa:** Academic performance of children with Sickle Cell Disease in Benin

07/2022-12/2022 CHF 24'992 **Principal-Investigator**

Project Grant, **Cancer Research Switzerland (KSF; Programm zur Stärkung der onkologischen Versorgungsforschung):** LENTIL - quality criteria in paediatric oncology (Grant-No: HSR-5184-07-2020)

01/2022-12/2024 CHF 245'300 **Co-Investigator**

Project Grant, **Krebsliga beider Basel:** How to mitigate the consequences of cancer and cancer related treatments in childhood cancer survivors (Grant-No: KFS-4995-02-2020)

08/2020-07/2022 CHF 48'550 **Co-Investigator**

Project Grant, **Cancer Research Switzerland:** Needs, desires and psychosocial outcomes in bereaved parents who lost their child to cancer: palliative and end-of-life care in paediatric oncology (Grant-No: KFS-4995-02-2020)

08/2020-07/2023 CHF 355'100 **Principal-Investigator**

Project Grant, **Cancer Research Switzerland (KSF; Programm zur Stärkung der onkologischen Versorgungsforschung)**: Improving access to screening for hearing loss after childhood cancer – a novel community-based approach (Grant-No: HSR-4951-11-2019)

06/2020-05/2023 CHF 247'850 **Co-Investigator**

Project Grant, **Swiss National Science Foundation**: Grandparents' involvement and psychosocial outcomes when a grandchild is diagnosed with cancer (Grant-No: 10001C_182129/1)

04/2019-03/2023 CHF 820'849 **Principal-Investigator**

Project Grant, **EU Horizon 2020**: PanCareFollowUp: Novel, patient-centred survivorship care to improve care quality, effectiveness, costeffectiveness and accessibility for survivors and caregivers (Grant-No: 824982 - PanCareFollowUp)

01/2019-12/2023 3'999'872 Euro (220'000 Euro for UNILU) **Co-Investigator (Partner)**

Project Grant, **Cancer Research Switzerland (KSF; Programm zur Stärkung der onkologischen Versorgungsforschung)**: Needs for Psychosocial Care after Childhood Cancer - A mixed methods study (Grant-No: HSR-4080-11-2016)

11/2017-10/2019 CHF 167'650 **Principal-Investigator**

Project Grant, **Cancer Research Switzerland (KSF)**: Improving Follow-up Care of Childhood Cancer: Implementation of Screening for Psychological Distress (Grant-No: KSF-3955-08-2016)

05/2017-04/2020 CHF 199'450 **Principal-Investigator**

Project Grant, **Swiss National Science Foundation (NCCR-LIVES [Swiss National Competence Centers in Research: Overcoming Vulnerability: Life Course Perspectives])**: Resilience and vulnerability after the onset of a chronic health condition: a longitudinal study using SHP data

2016-2019 CHF 290'000 **Co-Investigator**

Grant for Scientific Conferences, **Krebsliga Schweiz**: 40 years Swiss Childhood Cancer Registry - How routine data help to prevent cancer in children, optimize treatment and improve long-term outcomes (Grant-No: AND-3888-01-2016)

8 – 9 September 2016 CHF 7'000 **Co-Organizer**

Grant for Scientific Conferences, **Krebsliga Schweiz**: 14th Semi-Annual Meeting of PanCare (Grant-No: AND-3440-01-2014)

8 – 10 October 2014 CHF 6'000 **Principal-Organizer**

Project Grant, **Swiss National Science Foundation**: Parents of long-term childhood cancer survivors (Grant-No: 100019_153268 / 1)

07/2014-12/2017 CHF 303'426 **Principal-Investigator**

ProDoc, **Swiss National Science Foundation**: Mortality and second primary cancers after cancer in childhood and adolescence (Grant-No: PDFMP3_141775 / 1)

2012-2015 CHF 167'208 **Co-Investigator**

Research grant, **Krebsliga Schweiz**: Late mortality, second primary cancers and cardiovascular late effects in childhood cancer survivors: Swiss participation in the EU FP7 project "PanCareSurFup" (Grant-No: KFS-02783-02-2011)

2011-2014 CHF 270'000 **Co-Investigator**

Research grant, **Krebsliga Schweiz**: Effectiveness of transition to adult care after childhood cancer (Grant-No: KLS-02631-08-2010)

2011-2014 CHF 283'300 **Principal Investigator**

Grant of the **Wyeth Foundation for the Health of Children and Adolescents**: Health related quality of life and health behavior in childhood cancer survivors

2006 CHF 30'000 **Co-Principal Applicant**

FELLOWSHIPS

Ambizione-Fellowship Extension, **Swiss National Science Foundation**: Follow-up care after childhood and young adult cancer (Grant-No: PZ00P3_141722 / 1)

08/2012-07/2014 CHF 340'123

Ambizione-Fellowship, **Swiss National Science Foundation**: Follow-up care after childhood and young adult cancer (Grant-No: PZ00P3_121682 / 1)

08/2009-07/2012 CHF 585'970

Fellowship for advanced researchers, **Swiss National Science Foundation**: Follow-up care in childhood and young adult cancer survivors: Perspectives of survivors, oncologists and general practitioners. Honorary research assistant at the University of Sheffield; Sheffield, UK (Grant-No: PA001—117433/1)

09/2007-04/2009 CHF 80'000

Scholarship for prospective researchers, **Swiss National Science Foundation**: Wahrnehmung körperlicher Symptome im Alltag: Einfluss von Emotionen, Attributionen und Coping. Visiting Scholar at the New York University; New York, USA (Grant-No: 81FR-068850)

01-12/2003 US\$ 30'000

Scholarship of the **Swiss National Science foundation** for the Swiss Summer school for Methods in the Social Sciences (Grant-No: 82SU-068499; 1600 CHF)

2002 CHF 1'600

OTHER GRANTS

Swiss School of Public Health+ (SSPH+): Corona Immunitas – Participation for the Canton of Lucerne

01/2021-08/2021 CHF 246'537 **Co-Principal Investigator**

Stiftung für krebskranke Kinder – Regio Basiliensis: Impact on family: Burden of disease and discrimination of parents of childhood cancer survivors (Grant No: 2017-F004)

07/2017-08/2018 CHF 22'506 **Principal Investigator**

SSPH+ Call for Workshops & Projects: Children's At Home: A social media website for peer support during transition for parents of adolescent cancer survivors

2016-2017 CHF 25'000 **Co-Investigator**

Krebsliga Zentralschweiz: Psychological late effects in long-term childhood cancer survivors – Development of guidelines for follow-up care

2015-2017 CHF 71'903 **Principal Investigator**

Domarena Stiftung: Development of a new database for the clinical information of the Swiss Childhood Cancer Registry

2013-2016 CHF 200'000 **Principal Investigator**

Stiftung für krebskranke Kinder, Regio Basiliensis: Financial support for the organisation of the 14th PanCare Meeting (Lucerne, Switzerland 8-10 October 2014)

8-10 October 2014 CHF 6'000 **Principal Investigator**

Kinderkrebshilfe Schweiz: ‚Gesundheitsstatus der Nachkommen von Überlebenden einer Krebserkrankung im Kindes- und Jugendalter‘ [Health in children of survivors of childhood and young adult cancer] and ‚Wie geht es Eltern von ehemals krebskranken Kindern heute? Eine Schweiz weite Fragebogenstudie‘ [Late outcomes in parents of long-term childhood cancer survivors]; Funding for questionnaires and mailing

2013-2016 CHF 20'000 **Principal Investigator**

Stiftung für Krebsbekämpfung: Financial support for the mailing of the Swiss Childhood Cancer Survivor Study questionnaires

2013-2014 CHF 15'000 **Co-Applicant**

Swiss Bridge Grant / Stammbachstiftung: Zweitumoren und Sterblichkeit nach geheilter Krebserkrankung bei Kindern [Second tumours and mortality after cancer in children]

2012-2014 CHF 100'000 **Principal Investigator**

Swiss Bridge Grant: Schulschwierigkeiten und Berufsausbildung nach geheilter Krebserkrankung bei Kindern [Educational problems and professional education in childhood cancer survivors]

2011-2012 CHF 40'000 **Co-Applicant**

Grant of the **Bristol-Myers Squibb:** Long-term medical Follow-up in Survivors of Childhood Cancer in Switzerland

2006 CHF 5'000 **Principal Applicant**

Grant of the **Swiss School of Public Health**: The Swiss Childhood Cancer Registry as a national resource for longitudinal studies: Upgrading the Database

2006 CHF 50'000 **Co-Principal Applicant**

ORGANISATION OF MEETINGS

- First Swiss Cancer Survivorship Symposium (3 March 2022; member of the organizing committee).
- 40 years Swiss Childhood Cancer Registry (8 – 9 September 2016; member of the organizing committee)
- 14th PanCare Meeting, Lucerne, Switzerland (8 – 10 October 2014; organizer, 93 participants; ~30'000 CHF)
- PanCareSurFup General Assembly, Lucerne, Switzerland (7 – 8 October 2014; organizer)

MEMBERSHIPS

- Federation of Swiss Psychologists (FSP)
- Swiss Society of Psychology [Schweizer Gesellschaft für Psychologie, SGP]
- Swiss Society for Health Psychology [Schweizerische Gesellschaft für Gesundheitspsychologie SGGPsy]
- PanCare (a multidisciplinary pan-European network of professionals, survivors and their families that aims to reduce the frequency, severity and impact of late side-effects of the treatment of children and adolescents with cancer)
Member of the board (1 Oct 2011 - 25 April 2019)
- European Public Health Association (EUPHA)
- International Psycho-Oncology Society (IPOS)
- International Society of Paediatric Oncology (SIOP)
- SIOP Europe (SIOPE)
- Society for Ambulatory Assessment

TEACHING AND SUPERVISION

Master Health Sciences at the University of Lucerne

- I regularly teach the following courses in the Master of Health Sciences: Research Design; Qualitative Research Methods; Cancer Epidemiology; Health Behaviour Theories and Health Behaviour Interventions; Stress, Coping and Health; Health Inequality; Master Colloquium Health Sciences; Principles of Health Sciences

Joint Master Medicine at the University of Lucerne

- Modul «Klinische Wissenschaften

Medical Students at the University of Bern (2010-2016)

- Cancer Epidemiology, Epidemiology of Accidents, Late effects after childhood cancer (Blockkurs Pädiatrie), Medical tutoring (problem-based learning [PBL]): Central nervous system, sensory organs, behavior (2nd year students)

Students of Biomedical Sciences at the University of Bern / Fribourg (2011-2012)

- Epidemiological aspects of cancer

Further Education: Master of Public Health

I have been teaching in several courses on Multilevel Modeling (using both MLwiN and STATA).

- Multilevel modeling: Analysis of Clustered Data; Swiss School of Public Health: PhD Program in Public Health, University of Bern (4-6 April, 2008)
- Analysis of clustered data and multilevel modeling; Master of Public Health / Swiss School of Public Health course, University of Bern (9-11 May 2007)
- Advanced Methods in Epidemiology: Multilevel Modeling in Epidemiology and Prevention Research; Master of Public Health course, University of Bern (3-5 Nov 2004)

PHD-STUDENTS

- Erika Harju: Screening for Psychological Distress in childhood cancer survivors during follow-up care (start 1.9.2017; completed 14.12.2020)
 - Prize for “Key paper of the month”; selected by the journal *Psycho-oncology*.
- Ruth Hersche: Patient education in persons with disease-related fatigue (start 23.2.2017; completed 29.4.2021)
 - Prize for best poster at the meeting of European Network for best Practice and Research in MS Rehabilitation (EuRIMS), Amsterdam, the Netherlands, 2018.
- Julia Bänziger: Childhood cancer survivors and their parents: long-term implications for care (start 1.1.2016; completed 22.9.2020)
 - SNF Early Post-doc Mobility Fellowship (Cincinnati Children's Hospital Medical Center and Sydney Children's Hospitals Network, February 2021 – July 2022)
 - SNF Doc-Mobility Fellowship (Behavioural Sciences Unit, Kids Cancer Centre at Sydney Children's Hospital, Australia, March 2018 – March 2019)
- Luzius Mader: Socio-economic changes in parents of childhood cancer survivors (start: 01.08.2014, completed 18.09.2017)
 - SNF Early Post-Doc Mobility Fellowship (Childhood Cancer Survivorship unit at the Danish Cancer Society Research Center, Copenhagen, Denmark, Nov 2017 – April 2018)
- Janine Vetsch: Parents of childhood cancer survivors (start 16.09.2013, completed 15.3.2017)
 - SNF Doc-Mobility Fellowship (Behavioural Sciences Unit, Kids Cancer Centre at Sydney Children's Hospital, Australia, January 2016 – December 2016)
- Matthias Schindler: Mortality and second tumours after childhood cancer (Co-supervisor; start: 01.08.2012, completed 27.06.2016)
- Micòl Gianinazzi: Effectiveness of Transition from paediatric to adult care in childhood cancer survivors (start: 01.02.2012, completed: 24.01.2014)
 - Prize for best poster at the Symposium Versorgungsforschung in der Hausarztmedizin, Bern, Schweiz, 2013

MD-THESIS

- Sarah Singer: General practitioner involvement in follow-up of childhood cancer survivors - A systematic review (Singer S, Kuehni CE, Hohn A, Gianinazzi ME & Michel G (2013). GP-led follow-up after childhood cancer – a systematic review. *Pediatric Blood & Cancer*. 60(10), 1565–1573.)
