### Questions (please tick answer)

I apply for the following mode of participation:

**Active participation** (i.e. attendance of Lucerne Master Class plus  
presentation of my own research project – 15-20 minutes of length)

**Participation without presentation of research project**

**Housing:**

The venue offers 10 single rooms and 4 double rooms to be shared by 2 participants.

In order to allow for 15 participants, we will necessarily have to assign double rooms to some participants (the rooms are very spacious and beds can be set well apart). In recompense, these participants will pay CHF 250 instead of CHF 350 as tuition fee. Please indicate below whether you would be willing to share a room in exchange for a lowered tuition fee.

Yes            No

Along with this application form, I send the following documents (\* mandatory):

- \*Statement of Motivation (maximum 1 page)
- \*CV
- \*Abstract of Research Project (maximum 1 page)
- Request for cancellation of tuition fee (submit only in case the tuition fee is a factor deciding against your participation at the Lucerne Master Class)

**Commentary:**

I am aware that if selected I will have to pay a tuition fee (CHF 350 full fee, CHF 250 if selected for accommodation in shared double room). I am also aware that should I need a visa to travel to Switzerland, I will have to organize this myself.
