Please fill in the following boxes..

Personal details:

Surname:

First name:

GSL member since:

Doctoral subject:

First Supervisor:

Application details:

Short term scholarship for financial bridging

Short term scholarship for sabbatical (can only be applied for by KSF assistant)

Finishing Grant

Planned duration from to (Note: max. 3-6 months; start and end date must lie within the period communicated in the call for applications)

Desired position percentage / per month (usually 50 % - exceptions must be justified separately):

Note on salary and position percentage: This is based on the SNFS's approach for a doctoral position (CHF 47'980 for the first year, which corresponds to a 100% doctoral position, but is treated as a maximum of 50% position at the University of Lucerne).

I am providing care for one or several family members in addition to my doctoral studies and am applying for an additional grant of 20% of the above mentioned full-time equivalent for this care work and am submitting a detailed account of the care work as an enclosure (see under enclosures).

I request access to a work space at the University of Lucerne (will be allocated if possible)

Brief statement of reasons for submitting the application [max. 300 characters]
