

The background is a solid red color. Overlaid on this are three black line drawings of human figures. On the left, a figure is shown in profile, facing right, with a head that appears to be in a state of distress or contemplation. In the center, a smaller figure is shown in profile, also facing right. On the right, a larger, more detailed figure is shown in a dynamic, almost dancing or falling pose, with limbs extended and a head tilted back. The drawings are composed of simple, expressive lines, some of which are thicker and more prominent than others.
