

<p><b>Information on the university</b> Location, size, infrastructure</p>	<p>The University is a beautiful and modern building in the middle of the city, 5 minutes walking from the main station of Luzern. It is built on four floors with a big canteen, an amazing library and in the underground level, rooms reserved for gym courses.</p>
<p><b>German course at the University</b> "German Short Course" and/or A1 German Course visited? Content of course, use?</p>	<p>I joined only the 'Welcome week' German course. It was a beginner level to get started with this language. It was about grammar rules, vocabulary and part of general knowledge about Switzerland.</p>
<p><b>Studying at the university</b> Content of lectures, credits, assessments</p>	<p>I think that the load of work was normally proportionated to the credits. There were some different kinds of examination and types of courses. Depending on the course, there were both oral and written assignments.</p>
<p><b>Assistance at the university</b> International Relations Office, student advisors, mentors, contact with other students</p>	<p>I found a very efficient system. The international relations office was always available and ready to help for every kind of issue. I didn't use the Mentor service.</p>
<p><b>Budgeting</b> Living costs, study material, money transfer</p>	<p>The study material was provided by the Studiladen for an acceptable price. The living costs were a little bit higher in comparison to regular Italian prices. Money transfer was easily accessible with UBS or Kantonalbank.</p>

<p><b>Living/ leisure</b> Meeting places, sports, culture</p>	<p>There are many attractive places in Luzern to satisfy everyone's interests. For the culture, there are an amazing transport museum, the Rosengart art Museum, a beautiful Jesuit Church and so on. University card provides to the student a free season pass for every kind of sport (both indoor and outdoor) included in the list on the website. There is also a big choice of bars, restaurants and other meeting places to go with friends.</p>
<p><b>Comparison</b> What is better/ worse at the University of Lucerne as compared to your home university?</p>	<p>I would say that the University of Luzern has a better organization and a beautiful location. Except that, my home university is very different as background and exams structure so I can't compare too much because I think they are both amazing universities. Each of them has its own characteristics.</p>
<p><b>Reasons</b> Why did you choose to complete an exchange semester at the University of Lucerne?</p>	<p>Luzern was one of my preferences. I thought it was a good occasion to meet some new people, to study different subjects in an international and comparative view and also to improve my English skills. I also liked the position of this city with an easy access to the mountains in the cold season and a relaxing park by the lake in spring-summer.</p>
<p><b>Duration</b> Looking back, was the duration of your stay here:</p>	<p><input type="checkbox"/> too short                      <input type="checkbox"/> too long                      <input checked="" type="checkbox"/> just right</p>
