<b>Name und E-Mail (optional)</b>	

<b>General impression</b> Please describe your stay in 4-5 sentences	This Erasmus was one of the best experience of my life
<b>Entry/ arrival in Switzerland</b> Immigration formalities, visa	A lot of bureaucracy
<b>Searching for rooms/ accommodation</b> Experiences and useful addresses	The mobility office found me a good accommodation
<b>Public transportation</b> Train, bus, accessibility of university buildings	YOU can get monthly bus pass for 55 franks and it's hardly recommended the train half card
<b>Prearrangements</b> Registration for courses, language tests, academic records	complicated
<b>Information on university</b> Location, size, infrastructure	completely new, well organized
<b>Studying at the university</b> Content of lectures, credits, assessments	The most interesting lectures are in the second semester but I liked mine but I have to point out teachers don't really take into account the language difficulties for students who are not English or German native speaking ( in German classes)
<b>Assistance at the university</b> Student advisors, Mobility Office, mentors, contact with other students	sufficient assistance
<b>Budgeting</b> Living costs, study material, money transfer	The cost of the life is particularly high, everything is the double than in Italy
<b>Living/ leisure</b> Meeting places, sports, culture	The university has some sport classes that students can attend for free, the town is small and really livable
<b>Comparison</b> What is better/ worse at the University of Lucerne compared to your home university?	The university of Lucerne is without any doubt much more organized than the university of Pavia, you have much more services and since it's small, it's easy to settle in.
