<b>Mobility program</b>	<b>PARTNERSHIP (outside Europe)</b>
<b>Home university</b>	National Law Institute University, Bhopal (India)
<b>Field of study</b>	LAW
<b>Semester</b>	Spring term 2014
<b>Name und E-Mail (optional)</b>	Nandini Parmar

<b>General impression</b> Please describe your stay in 4-5 sentences	Lucerne is really beautiful and picturesque. People were always helpful and nice. I had a wonderful time during my exchange. I not only got a chance to travel Europe but also had an opportunity to interact with people from so many different countries and cultures.
<b>Entry/ arrival in Switzerland</b> Immigration formalities, visa	At first it seemed a bit overwhelming but The Mobility Office was really helpful.
<b>Searching for rooms/ accommodation</b> Experiences and useful addresses	Fortunately for me accommodation was provided by the university as I requested for it. But my accommodation was Emmenbruke (gerliswilstrasse 10) which was a bit disappointing as we had an under construction building plus it was not as good as the other accommodation (Steinhof)
<b>Public transportation</b> Train, bus, accessibility of university buildings	The transportation was very efficient as it took only ten minutes by train to reach the university.
<b>Prearrangements</b> Registration for courses, language tests, academic records	I loved the idea of how the university after registration allows you time to see the courses and then decide which are the ones we want to continue with for purpose of examination.
<b>Information on university</b> Location, size, infrastructure	I loved the location of the university its very close to Bhanof plus we have lake right outside and a small beach nearby.
<b>German course at the university</b> „German for Beginners“ visited? Content of course, usage	The Intensive German Course was not only helpful but a good icebreaker as well.
<b>Studying at the university</b> Content of lectures, credits, assessments	I was pretty happy with most of the classes and their reader except one where the course turned out very different from what it was suppose to be and reader was more often confusing regarding the said course.
<b>Assistance at the university</b> Student advisors, Mobility Office, mentors, contact with other students	Mobility office and Mentors were always helpful and always tried to solve whatever issues we had.
<b>Budgeting</b> Living costs, study material, money transfer	The study material and Cafeteria food was pretty pocket friendly but I was really disappointed by the cost of my accommodation (Emmenbruke) not because of the price per se but because of the standard and quality I got at the said accommodation.
<b>Living/ leisure</b> Meeting places, sports, culture	I got a chance to interact with a lot of social event organized by SOL and Fajulu. Especially JUS on Cruise.
<b>Comparison</b> What is better/ worse at the University of Lucerne compared to your home university?	Professors at UNILU are more interactive and helpful compared to my home university. But lack to events to incorporate Exchange Students with UNILU Students somehow made all Erasmus student interact less with UNILU students except the ones we had in our class, which weren't many as I took only English Courses.
