<b>General impression</b> Please describe your stay in 4-5 sentences	I had a great experience studying at the University of Luzern. I think that the University does a great job with the program once you arrive in Switzerland. One criticism I have is that it was somewhat difficult to figure out all that needed to be done prior to arrival. That being said, I found the Professors and Staff to be very helpful throughout the semester.
<b>Entry/ arrival in Switzerland</b> Immigration formalities, visa	September 9, 2013
<b>Searching for rooms/ accommodation</b> Experiences and useful addresses	The accommodations provided at Eichhof through the Student Mentor Foundation were fantastic.
<b>Public transportation</b> Train, bus, accessibility of university buildings	The location of the University and the public transportation was great.
<b>Prearrangements</b> Registration for courses, language tests, academic records	Figuring out registration and what all was required prior to arrival was somewhat difficult. However, I think this was mainly due to the language barrier.
<b>Information on university</b> Location, size, infrastructure	I felt like I received good information.
<b>German course at the university</b> „German for Beginners“ visited? Content of course, usage	I did not take the German course.
<b>Studying at the university</b> Content of lectures, credits, assessments	I enjoyed all of my classes.
<b>Assistance at the university</b> Student advisors, Mobility Office, mentors, contact with other students	I found everyone to be very helpful.
<b>Budgeting</b> Living costs, study material, money transfer	The costs of school related items and living expenses were very reasonable.
<b>Living/ leisure</b> Meeting places, sports, culture	I enjoyed the aperos/ and the sports offerings.
<b>Comparison</b> What is better/ worse at the University of Lucerne compared to your home university?	It is hard to compare the two because my home university is much, much bigger (50,000 total students). I enjoyed the experience of learning at a smaller school, and would recommend studying at the University of Luzern to others.
