General impression Please describe your stay in 4-5 sentences	Overall I enjoyed my stay in Switzerland. I appreciated that residence was organized for us and living in student residence made it easy to meet the other exchange students. Overall everyone at the University was great. I also really enjoyed all the classes!
Entry/ arrival in Switzerland Immigration formalities, visa	Visa I obtained before I came to Switzerland. The Immigration Office in Lucerne was very difficult and not very helpful. It was quite stressful.
Searching for rooms/ accommodation Experiences and useful addresses	Easy! The University did this for us.
Public transportation Train, bus, accessibility of university buildings	Trains and buses were great! So convenient.
Prearrangements Registration for courses, language tests, academic records	Registration was fairly straightforward and instructions were emailed to us before registration.
Information on university Location, size, infrastructure	All of this was clear and found Online.
German course at the university „German for Beginners“ visited? Content of course, usage	I really enjoyed this! I can't say I was feeling very confident about my German after the class, but our Professor (Catrin) was so welcoming and a wonderful teacher. I hope you continue to do this!
Studying at the university Content of lectures, credits, assessments	Lectures were interesting. I think the assessments seem fair.
Assistance at the university Student advisors, Mobility Office, mentors, contact with other students	All really wonderful. Madeline was great!
Budgeting Living costs, study material, money transfer	This information was never made available to us. I think the school should be more forthcoming about how much we are going to have to pay.
Living/ leisure Meeting places, sports, culture	All was great. It is nice we were able to attend all of the activities offered. I loved the dinner in September on the boat. It was great!!!
Comparison What is better/ worse at the University of Lucerne compared to your home university?	I think the University of Lucerne does an amazing job at making exchange students feel welcomed compared to my University. I loved that we had mentors to talk to and you really tried to get us familiar with the Swiss culture. The University of Calgary could learn from you!
