General impression Please describe your stay in 4-5 sentences	My exchange experience was the most fun I have ever had. I enjoyed making new friends from a variety of different backgrounds. I learnt a lot of interesting things that I would not have had to opportunity to learn about at home. Switzerland is a beautiful country and I cannot wait to return.
Entry/ arrival in Switzerland Immigration formalities, visa	The process was quite time consuming and drawn out, it was difficult to know what was expected from me by the immigration authorities as all the correspondence was in German.
Searching for rooms/ accommodation Experiences and useful addresses	I was happy with the Gerliswilstrasse 10 Emmenbrucke student residence.
Public transportation Train, bus, accessibility of university buildings	The public transport system is highly efficient, and the university is very centrally located.
Prearrangements Registration for courses, language tests, academic records	I had no problems with this. Staff were helpful and responded to questions very quickly.
Information on university Location, size, infrastructure	The university has great facilities. The library in particular is a great study space.
German course at the university „German Short Course“ visited? Content of course, usage	The course was very helpful and interesting. I would have liked to have been taught a bit more Swiss German though.
Studying at the university Content of lectures, credits, assessments	I enjoyed all my courses, but it would have been good to have been able to provide anonymous feedback on these as some improvements could be made.
Assistance at the university Student advisors, Mobility Office, mentors, contact with other students	The staff were very helpful and friendly. It would have been great to have more opportunities to meet local students though.
Budgeting Living costs, study material, money transfer	The textbooks were too expensive for Comparative Constitutional Law. The cost of living in Switzerland was higher than I expected.
Living/ leisure Meeting places, sports, culture	I really enjoyed the free sports program run by the university.
Comparison What is better/ worse at the Univer-	The facilities are much better than my home university, and the contact hours were much less so I had more time to enjoy travelling, seeing Switzerland, and making new
