In some cases examination sessions may take place after the end of the semester.</p>	Fall semester	Start	September 20, 2021		End of courses	December 23, 2021	Spring semester	Start	February 21, 2022		End of courses	June 3, 2022
Fall semester	Start	September 20, 2021											
	End of courses	December 23, 2021											
Spring semester	Start	February 21, 2022											
	End of courses	June 3, 2022											
Examination dates	Examination dates are different in each faculty and depend on which courses students opt to take. Please therefore ensure that when registering for courses, you take the examination dates into consideration. Substantiated requests for alternative exam dates can be considered when communicated to your student advisor at the beginning of the semester. Please refer to the appropriate section below for more faculty-specific information.												
Faculty of Humanities and Social Sciences	In the Fall semester: exams take place during the last two weeks of the semester and the second week of January. In the Spring semester: exams take place two weeks before and after the end of the semester.												
Faculty of Law	In both the Fall and Spring semesters: exams take place within the Academic Calendar dates listed above. Please note that these dates might differ from the exam dates for regular (non-exchange) students.												

Faculty of Economics and Management	In both the Fall and Spring semesters: exams take place during the last two weeks of the semester.
Transcripts of Records	You can expect to receive your transcript of records by the end of February for the Fall semester and in August for the Spring semester.
Nomination Deadlines	Fall semester March 31, 2021 Spring semester October 1, 2021
Duration of Study	We accept students who wish to study 1 semester, or 2 consecutive semesters.
Levels of Study	▪ Undergraduate ▪ Graduate ▪ Postgraduate
Application and Registrations Procedures	We only accept nominations sent by the International Relations Office of our partner universities. We use <i>Mobility-Online</i> for both the nomination and the application processes. Mobility coordinators will receive an email with detailed instructions on how to nominate their students using our platform. Nominated students, in turn, will receive detailed information how to complete their application online, as well as other information pertinent to their mobility semester, including registration dates.
Course Information, Orientation Program and Learning Agreement	For all study-related issues such as learning agreements, credits, assessments, etc., please contact the departmental coordinator at the corresponding faculty.
Language of Instruction	Students must be able to take courses in English or German. We don't request an official language proficiency score.
German course for beginners	A free pre-semester taster German Short Course is part of the Orientation Week for all non-German speaking students. Students who wish to continue studying German during the semester can sign up for a German Beginner (Level A1) or German Advanced Beginner (Level A2) course. Course costs for these courses are 100CHF/semester. 2 ECTS are awarded for a course.
Accommodation	Student accommodation can usually be provided to all exchange students, however since there is a limit to the student rooms available, students are advised to complete the room application as soon as they receive it. Non-German-speaking students have priority of reservation. The application form for housing is part of the online application process.

General Information	
Private Health Insurance	<p>In Switzerland, private health insurance is compulsory. The Swiss Federal Act on Insurance Contracts stipulates a strict and complete insurance coverage, which must adhere to the Swiss Social Insurance (AHV) conditions. You will be sent further details as part of the application process and we will assist you in obtaining the necessary health insurance cover.</p> <p>Please note that travel insurance taken out in your home country is not equivalent to Swiss health insurance cover and will not be accepted by the authorities.</p>
Personal Liability Insurance	<p>For exchange students who will stay at university arranged accommodation, personal liability insurance is mandatory!</p> <p>Exchange students should check before leaving their home country whether their personal liability insurance coverage is sufficient for Switzerland. Please note that it is usually cheaper and more convenient to organise this type of insurance cover in your home country.</p> <p>For students organising their own accommodation, personal liability insurance is not compulsory but it is strongly recommended since it offers an insurance cover for third party liability claims and will cover costs relating to damage of rented accommodation.</p> <p>If you have further questions please contact the Institutional Mobility Coordinator.</p>
Visa	<p>Students from countries outside the EU/EFTA with a visa requirement need to apply for a Swiss entry visa at the Swiss Embassy or Consulate General in their home country.</p> <p>Please allow at least three months to apply for your entry visa.</p> <p>Please note that students from countries with a visa requirement cannot be matriculated at the University of Lucerne without a valid entry visa. If you are unsure whether or not you need a visa, please ask your local Swiss representation office.</p> <p>http://www.eda.admin.ch/eda/en/home/rebs.html</p>
Residence Permit / Costs	<p>All incoming students are required to get a Residence Permit for their stay in Switzerland. The University of Lucerne will apply for this Residence Permit on behalf of the students.</p> <p>Your Residence Permit will be issued after you have registered with the Registration Office of your community of residence (see below).</p> <p>Costs for the Residence Permit: approx. CHF 70 for EU/EFTA students; approx. CHF 250 for non-EU/EFTA students; these costs must be borne by the students.</p>

<p>Entering – Registration / Costs</p>	<p>After entering Switzerland, all students are required to register at the Registration Office of their community of residence. More information about this will be communicated to students during Orientation Week. Costs for the registration: approx. CHF 35</p>																		
<p>Scholarships available to Exchange Students</p>	<p>No scholarships are currently offered by the University of Lucerne.</p>																		
<p>Study abroad reports</p>	<p>In these reports, former exchange students describe their impressions and experiences of their exchange semester. The reports provide important information to students who are planning an exchange semester at the University of Lucerne in the future: https://www.unilu.ch/en/international/mobility/student-mobility/study-abroad-reports/</p>																		
<p>Estimated Budget per month</p>	<p>Actual living expenses will differ for each individual, however, the figures below are a good indicator of how much a student will spend per month:</p> <table data-bbox="762 981 1362 1182"> <tr> <td>Housing (incl.
