General impression Please describe your stay in 4-5 sentences	I spend here wonderful time. I like the city, the school and people here. The school was god, i'm completely satisfied and I now learn on exams.
Entry/ arrival in Switzerland Immigration formalities, visa	I come on car, I have no problem, all formalities make on the cityhall.
Searching for rooms/ accommodation Experiences and useful addresses	I live at the school's accommodation and I like it.
Public transportation Train, bus, accessibility of university buildings	I have here my bike, so I need only it.
Prearrangements Registration for courses, language tests, academic records	all by computer, little bit hard to find it.
Information on university Location, size, infrastructure	I have no comments, all was good.
Studying at the university Content of lectures, credits, assessments	I have only 4 courses and all were good, all lectures have really high level.
Assistance at the university Student advisors, Mobility Office, mentors, contact with other students	It was little bit pitty, that we were separated from the swiss students, but other was good. Everybody want to help me and mentors make good events.
Budgeting Living costs, study material, money transfer	with Erasmus stipendium it was to live here.
Living/ leisure Meeting places, sports, culture	great is the possibility to make so many sports, mentors make some really good events and we visit also concert from university.
Comparison What is better/ worse at the University of Lucerne compared to your home university?	Lucerne has higher level of teaching, the exams are really fair and anonymous, courses are actual and good to understay. My university has better IT system, all is easier, to watch the notes, add to courses and exams and you know the results until 2 week after written exam and immediately on oral exam.
