<b>General impression</b> Please describe your stay in 4-5 sentences	It has been a really nice stay. Luzern is a beautiful city with friendly people. The administration at UNILU is friendly and always helpful. The professors are good.
<b>Entry/ arrival in Switzerland</b> Immigration formalities, visa	I had no major problems. The only thing I found annoying was the registration part at the migrations office, or what it was called. First you had to pay a lot to register. Then you got your ID-card and an invoice that was even bigger than the first payment.
<b>Searching for rooms/ accommodation</b> Experiences and useful addresses	Useful address was is Student Mentor Foundation Luzern. Google it.
<b>Public transportation</b> Train, bus, accessibility of university buildings	Buy the Half Fare card. It is really usefull. However the Track 7 card did not pay off for me.
<b>Prerarrangements</b> Registration for courses, language tests, academic records	This went pretty easy for me.
<b>Information on university</b> Location, size, infrastructure	
<b>German course at the university</b> „German Short Course“ visited? Content of course, usage	This is a good opportunity to meet your new colleagues.
<b>Studying at the university</b> Content of lectures, credits, assessments	Even though most of my subjects was 6 credits, I find the level quite different in the various classes.
<b>Assistance at the university</b> Student advisors, Mobility Office, mentors, contact with other students	They were always helpful.
<b>Budgeting</b> Living costs, study material, money transfer	If you are staying just one semester you cannot open a bank account here. And I will always recommend you bring 2 payment cards. Because if you only have one and you loose it, you have a problem. Speaking of experience. Living costs are quite expensive in Switzerland
<b>Living/ leisure</b> Meeting places, sports, culture	
<b>Comparison</b> What is better/ worse at the Univer-	The building, the cafeteria, the easy way to change/register/deregister from courses (the flexibility) and especially the administration was better at UNILU than in Copen-

<p>sity of Lucerne as compared to your home university?</p>	<p>hagen. However the course catalogue is much bigger in Copenhagen, even the variety of English courses. This was actually the only thing lacking at UNILU. At the fall semester you don't have that many courses to choose from regarding private international law. Most of the English subjects is concerned with human rights and constitutions.</p>
<p><b>Reasons</b> For what reasons are you aiming for a mobility period at the University of Lucerne?</p>	<p>To learn German, to try living in Switzerland.</p>
<p><b>Duration</b> If you look back, was the duration of your stay for mobility</p>	<p>X to short                      <input type="checkbox"/> to long                      <input type="checkbox"/> precisely</p>
