Since August 2021, members of the University of Lucerne can use their SWITCH edu-ID to log in to Zoom instead of their email address and password. Since this date, Zoom accounts must be created directly via SWITCHhub using the SWITCH edu-ID.

On February 14, 2022, the Zoom login will be standardized and will only be possible with the SWITCH edu-ID.

Login to the Zoom website with SWITCH edu-ID

Go to https://unilu.zoom.us and click "Sign in", then log in to Zoom with your SWITCH edu-ID account.

Please note: If you do not yet have a Zoom account, you must first create one via SWITCHhub. You can find more information about this on our homepage at the Teaching Development Center: <u>https://www.unilu.ch/en/university/services/teaching/teaching-development-centre/zoom</u>
