

## Laudatio für Prof. Dr. med. Milo Puhan

Prof. Dr. Sarah Rubinelli, Prodekanin der Fakultät für Gesundheitswissenschaften und Medizin

The Faculty of Health Sciences and Medicine of the University of Lucerne hereby confers all the dignity, rights and privileges of an honorary doctorate degree in Health Sciences upon

Professor Milo Puhan

It is with great honor that we recognize Professor Puhan's outstanding contributions to public health and epidemiology

- whose scientific work spans the globe, from his early career in Switzerland to his major tenure at Johns Hopkins University;
- whose pioneering research on chronic disease prevention and on innovative preference-sensitive healthcare has advanced the scientific community and set new standards in healthcare delivery;
- whose remarkable leadership in the Corona Immunitas Initiative demonstrates his ability to guide and protect communities during times of critical need;
- Professor Milo Puhan's achievements are an influential testament to his dedication to significantly advancing knowledge and improving the health and well-being of populations worldwide.
